

Region 5 Spring Workshops--2010

Please visit www.esc5.net for more information and registration.

| <u>Date</u> | | <u>Name</u> | <u>Description</u> |
|-----------------|------|---|---|
| <u>01/12/10</u> | 1781 | Instructional Technologists Meeting | For Campus/District Instructional Technologists throughout Region 5 ESC. We will discuss various issues relating to technology integration as well as best-practices integration techniques. \$0 coop./\$0 non-coop. |
| <u>01/19/10</u> | 1184 | Admin Academy | A multi-day workshop that will focus on emerging trends and technologies in today's schools. (This is Day 2 of a multi-day workshop; participants should have already registered in order to participate) \$650 coop./\$800 non-coop. |
| <u>01/21/10</u> | 1782 | Wanna Go on a Virtual Fieldtrip? | Come see the many virtual activities available for you to use in your classroom to take your students on a virtual fieldtrip. We will look at sites already created as well as ideas on making your own. \$35 coop./\$85 non-coop. |
| <u>01/26/10</u> | 1660 | Integrating Technology With Movie Maker 2.0 | Get a Flip camcorder, learn to make movies using Movie Maker 2.0 and have major fun! Digital video is powerful for student projects, promoting your school, and sharing a vacation, too. \$195 coop./\$245 non-coop. |
| <u>01/27/10</u> | 1783 | Sexting and School Policy | Have questions about policies and procedures that need to be in place to address the sexting situation. This half day panel-discussion type workshop will explore the complicated issue of sexting and provide concrete suggestions and recommendations for school professionals about how to help protect teens and the school district. This is a great discussion workshop for School Technologists and Campus and District Administrators. \$20 coop./\$40 non-coop. |
| <u>01/28/10</u> | 1784 | ITOUCH and School – BYOI and BYOL | Want to learn more about using an ITOUCH for teaching and mobile learning? Bring your own ITOUCH and discover the millions of apps that are available for teachers and students. Each participant will receive a \$15 iTunes gift card to use during the workshop. \$50 coop./\$100 non-coop. |
| <u>02/04/10</u> | 1785 | Smartboard Basics | Got a Smart Board in Your Room? Don't Know Where to Start with it? Smart Boarding for Beginners - Come and learn the BASICS of Smart Board use, including basic Notebook Software, Pen Tools, Floating Tools and more. \$35 coop./\$85 non-coop. |
| <u>02/03/10</u> | 1786 | TMSDS | Texas Math and Science Diagnostic Awareness system is a web-based collection of TEKS-aligned diagnostic tests and supplementary resources. This half-day awareness workshop will show you how to utilize this free web site for students in grades 3-12 \$0 coop./\$0 non-coop. |
| <u>02/11/10</u> | 1787 | Using Wikis and Blogs in the Classroom | Come and learn about a couple of Web 2.0 tools – wikis and blogs. These are great tools for use in the classroom. \$35 coop./\$85 non-coop. |
| <u>02/16/10</u> | 1184 | Admin Academy | A multi-day workshop that will focus on emerging trends and technologies in today's schools. (This is Day 3 of a four-day workshop; participants should have already registered in order to participate). \$650 coop./\$800 non-coop. |
| <u>02/18/10</u> | 1778 | Introduction to Discovery Health | This half-day workshop is an overview of Discovery Education's Health (K-12) website. The program is a comprehensive health and prevention library that addresses: physical activity, mental health, alcohol and other drugs, violence, safety, nutrition, tobacco, body growth and development. \$20 coop./\$40 non-coop. |
| <u>02/18/10</u> | 1715 | Integrating Technology with Movie Maker 2.0 | Learn how to use Movie Maker 2, a free video program that is part of the Windows XP or Windows 7 operating system. A Flip Mino camcorder will be given to each participant. \$195 coop./\$245 non-coop. |

| | | | |
|--------------------|------|---|--|
| <u>02/23/10</u> | 1788 | Resources for Teaching Keyboarding in the Elementary Grades | Keyboarding is an important skill that can be developed early in a student's life. Come and learn about some resources that you can use in your classroom or computer lab. \$35 coop./\$85 non-coop. |
| <u>02/24/10</u> | 1789 | Instructional Technologists Meeting | For Campus/District Instructional Technologists throughout Region 5 ESC. We will discuss various issues relating to technology integration as well as best-practices integration techniques. \$0 coop./\$0 non-coop. |
| <u>02/25/10</u> | 1790 | Interactive Technology Playground | Not sure what technology tool is the right one. Spend the day working with innovative and new technology equipment designed to help teachers and students effectively integrate technology into the classroom. \$35 coop./\$85 non-coop. |
| <u>03/02/10</u> | 1779 | Creating and Participating in Collaborative Videoconferencing Projects | One of the best ways to integrate IVC in to the classroom is through collaboration. This workshop will inform teachers on the benefits of collaborative interactive videoconferencing projects and also how to implement a collaborative project in the classroom. \$35 coop./\$85 non-coop. |
| <u>03/04/10</u> | 1184 | Admin Academy | A multi-day workshop that will focus on emerging trends and technologies in today's schools. (This is Day 4 of a four-day workshop, participants should have already registered in order to participate). \$650 coop. /\$800 non-coop. |
| <u>03/23/10</u> | 1791 | There's an APP for that! - ITOUCH – BYOL | This workshop will explore productivity tools, educational activities, and teacher resources, using built-in and freely available applications. PARTICIPANTS WILL RECEIVE AN ITOUCH and will need to bring their own laptop. \$250 coop./\$300 non-coop. |
| <u>03/25/10</u> | 1792 | What's New with Google | You can search just fine, and open Google Docs but there's so much more to Google. Come spend the half day learning how to use Google tools with advanced search techniques, collaborative web-based applications, and instructional strategies. \$20 coop./\$40 non-coop. |
| <u>03/26/10</u> | 1793 | Instructional Technologists Meeting | For Campus/District Instructional Technologists throughout Region 5 ESC. We will discuss various issues relating to technology integration as well as best-practices integration techniques. \$0 coop./\$0 non-coop. |
| <u>03/31/10</u> | 1795 | Smart Notebook – Level 1 | This is a Level 1 Notebook workshop for those teachers who have a Smart board, are familiar with the Smart Tools, but desire to learn more about the Smart Notebook Software. This is a technology lab workshop focusing on Notebook software. (Beginner level) \$35 coop./\$85 non-coop. |
| <u>04/13/10</u> | 1796 | Using Digital Cameras in the Classroom | Digital cameras are a popular device to use in the classroom. Come and get some new project ideas for using a camera in the classroom. Participants will receive their own digital camera to take with them. \$135 coop./\$185 non-coop. |
